

Prevention for Youth

Youth Group Presentation

This presentation introduces the concept of human trafficking and breaks down myths and misconceptions. We discuss exploitation and vulnerability, what to do if you or a friend needs help, internet safety, pornography, and our impact as consumers. With options for breakout sessions, this presentation can easily be tailored to your youth group needs. It is appropriate for junior high and high school. Runs about 40-60 minutes.

School Presentation

This presentation introduces the concept of human trafficking at an age-appropriate level. We discuss exploitation and vulnerability, what to do if you or a friend needs help, internet safety, pornography, and our impact as consumers. This presentation does not include a faith component. It is appropriate for junior high and high school, and can be adapted to fit scheduling needs.

Breakout Sessions

Following a Youth Presentation, we offer the following breakout sessions. They are appropriate for junior high to college aged students. We recommend about 25-45 minutes per session.
